

What are the requirements?

We have the right to reject a membership request for any of the following reasons: the car insurance rate, the owner or driver background, and the date of driving. Below are the minimum requirements for being accepted:

- You must have a valid driver license (not temporary) and you must present it to the car owner before you start your trip.
- You have to be at least 21 years old and above in order to rent a car in Saudi Arabia or United Arab Emirate.
- If you are 25 years or under, you might be asked to prove at least two years of driving in Saudi Arabia or United Arab Emirate.
- If you have a non Saudi or Emirati driver license and you want to rent a car, you must be at least 21 years old or older, in addition, you must present your passport and the license that you have.
- You must have a phone number so that we can verify you by texting you.
- You Must meet the criteria for the rate of insurance on cars.
- You have to be a registered user.
